FEATURES

DESCRIPTION

Suspension lamp for direct but not glaring light. Turned aluminium outer diffuser with laser-cut details. Pressed metal inner cap. All versions have the inner surface and the cap painted white to improve light reflection. The light source is placed in the inner cap to generate a soft, powerful but not glaring light effect. Polycarbonate top cover painted to match the color of the structure. Steel support cable, transparent PVC covered power cord. Led version equipped with SMD Led circuit with high color rendering index (CRI90) and high-energy efficiency. Laser-cut metal dissipating plate. Built-in electronic ballast. DM version equipped with dimmable power supply wage.
