

Gladis / Grace

Serie di courtesy light ideali per l'illuminazione segno passo, realizzate in acciaio Inox AISI 316L con la possibilità di essere trattate in finiture extra mirror o pvd. Il corpo illuminante è dotato di una o due fessure di luce che disegnano un discreto segno grafico sulla parete. Il grado IP65 rende il corpo illuminante ideale anche per installazioni outdoor.

A series of courtesy lights made of AISI 316L stainless steel, perfect to be used as steplights, that can undergo extra mirror or pvd treatments. They have one or two slits that allow the light to pass through and draw a discreet graphic sign on the wall. Thanks to its IP65 degree of protection, the light is perfect for outdoor installation.

* Grado IP adatto per installazioni in esterno / IP rate suitable for outdoor use
