

NASKA XL -

Historical Archive, 2023

The Naska family of lamps is a classic from 1933. Simple and functional, with a revolving, adjustable arm, it is available in three different versions – table, floor and wall. More than any other lamp, Naska expresses an unmistakable identity through its archetypal form. It is the desk lamp par excellence, the original ancestor of every lamp with a spring-balanced arm. A timeless object, suitable for both domestic spaces and those dedicated to work. The new XL version of NASKA is available in indoor and outdoor versions, made of painted metal in black and white.

XL outdoor floor lamp with direct light. Frame and body made in painted metal. Black power cable and plug. European two-pole plug. Bulb not included.
