Dome 4 Pendant Light

Inspired by architectural elements, Dome is a modular suspension lighting system in which the body of each lamp is connected to the others by an arch, creating a series of vaults with endless possibilities. The light source is available in either 2700K or 3000K with a 15° or 45° beam angle.

Available in various modular sizes and configurations, in Black or Gold (price varies).

Materials: Aluminium, Iron

Dimensions: H130mm x W 1055mm x D 1055mm | 2000mm Cable Suspension

Dimmable with DALI, PUSH, 1-10V.

Rated IP20 suitable for indoor use.

Designed by Alessandro Di Prisco

Light source: 4 x 7W LED (Built-In) | 3000K | 3680lm
