TYPE:

PROJECT NAME:

CINEMA'

design Theo Sogni 2014

La collezione Cinemà si ispira alle lampade utilizzate nei set cinematografici. Proiettori LED illuminano l'interno dei diffusori che restituiscono luce riflessa senza abbagliare. Le versioni con l'interno in foglia oro generano una luce preziosa, calda e confortevole. I diffusori sono orientabili per direzionare la luce nel punto desiderato.
Materiali: metallo nero/interno foglia oro, bianco/interno foglia oro o bianco. Alluminio/interno alluminio. Bronzo/ Foglia rame

The lamps which illuminate the film sets have inspired the collection Cinemà. LED headlamps illuminate the interior of the diffusers that return reflected light without glare. Some versions with the gold leaf inner part create a warm and comfortable light. The diffusers are adjustable to direct the light as desired.
Materials: black metal / gold leaf inner part, white / gold leaf or white inner part. Aluminum / aluminum inner part. Bronze/Copper leaf.
